

MARCHWOOD JUNIOR SCHOOL

JUNE 2008 -NEWSLETTER

SATs/QCA tests – well done to all the children for their attitude during the test week. Year 6 pupils were relaxed and confident throughout the week. We hope the SATs results will be back in time to go out in Yr 6 reports on Monday 14th July. Years 3, 4 & 5 reports will be sent home on Thursday 3rd July and parents will receive their children's test results along with the end of year summary report.

Secondary School Induction Days – Yr 6 children going to these events should wear normal school uniform and bring a packed lunch. Those entitled to free school meals can order a packed lunch from the kitchen - please let our school office know in good time.

INSET Days – don't forget school is closed on Friday 13th June and Monday 16th June.

Sports Days - once again these will be held in the **mornings** of 24th and 26th June (see diary dates) and parents are very welcome to attend.

Tesco Tokens – last date for receipt in school is Friday 20th June. Thanks to all who have already sent in the vouchers.

Small cardboard boxes e.g. individual cereals, teabags etc – Mrs Denison would be grateful if to receive

these – to be used by Upper School to make models of Lyndhurst High Street as follow up to their recent Geography field trip.

School Meals Now Free Range! – HC3S are working on increasing the number of local products used in school meals and have just arranged a contract with a local egg farmer in the New Forest for free range eggs. The eggs are used in all the homemade items on the menu.

Please remember that there will be no price change in September so the cost of a school meal will remain at £1.90 until April 2009.

Used computer ink cartridges and mobile phones – please continue to send these in to the school office. We send them off to a company and receive points to convert into cash. We then donate this to our Rwanda funds.

Class and Year 6 Photos – Available to view in school between 3.30 and 4.15 pm on Thurs 12th, Tues 17th and Weds 18th June. If you can't come in after school, then ask to view any time at school office.

Term dates for 2008-09 & Pupil News Report – please find these attached to this newsletter.

Safety in the Sun – following on from a recent assembly please remind children about shifting to the shade, drinking plenty of water, wearing sunhats, sunglasses and sunscreen. We have set a challenge that no child suffers sunburn this year; part of our programme to promote a responsible

attitude to personal health and personal safety.
