

MARCHWOOD JUNIOR SCHOOL

JUNE 2010 -NEWSLETTER

SATs/QCA tests – well done to all the children for their attitude during the test week. Year 6 pupils were relaxed and confident throughout the week. We hope to send home the Yr 6 reports on Tuesday 13th July, provided the SATs results are back in time. Years 3, 4 & 5 reports will be sent home on Thursday 1st July and parents will receive their children's test results along with the end of year summary report.

Secondary School Induction Days – Yr 6 children going to these events should wear normal school uniform and bring a packed lunch. Those entitled to free school meals can order a packed lunch from the kitchen - please let our school office know in good time.

INSET Days – don't forget school is closed on Friday 25th June.

Mini Marathon – Thank you to all those who have already sent in their sponsor money for the mini marathon. We have already banked nearly £600 which is fantastic! If you have not already done so, please could you send in any money asap. Thank you.

Swimathon - Saturday 26th June from 2-4.30pm at Applemore Pool. We have 30 swimmers taking part in this event – thank you so much for your support. It should be a very enjoyable afternoon.

Classes for Next Year – Children will know their new class teachers on Friday 2nd July so it is very important that they are in school on that day. Just a

reminder that Year 5s will be meeting up with their Year 2 buddies during the afternoon of that day.

Sainsbury Tokens – last date for receipt in school for Sainsbury's tokens is Friday 2nd July Thanks to all who have already sent in the vouchers. We collected nearly 20,000 Tesco vouchers and have placed an order for various items for IT and PE.

Class and Year 6 Photos – Available to view **after school** during the week of 28th June. If you can't come in at those times, then ask to view any time at school office.

Musical Instruments - We have children keen to play the flute or the clarinet. However, the few instruments we have in school were donated years ago and despite regular servicing, are now in poor condition. If anyone knows they have a flute, clarinet or a trumpet lying unused we would be grateful if you would consider donating or selling it to the school.

Facebook – I have heard from various sources that a number of children are regular users of Facebook at home. At times, this has caused some problems and concerns for parents and children in that some of the messages sent and received have been inappropriate, to say the least. Whilst home use of Facebook and other social messaging sites is beyond my jurisdiction, I felt that I ought to let you know as you may now wish to monitor more closely your child's use of the home computer and

usage of such sites to protect your child from such problems.

Home Access Scheme: free computers for KS2 & KS3 pupils – there's still time for families to apply for a free computer and broadband package with the Home Access Scheme, although funding is limited now. If your child is entitled to free school meals, parents should phone 0333 200 1004 to receive an application form or go to www.homeaccess.org.uk and register as **soon as possible.**

Change of contact details - please don't forget to let the school office know as soon as you have a change of address, telephone and emergency contact.

Thanks for your support.
