

PRIMARY SCHOOLS' SPORT FUNDING

Total amount due: £18,904 Spent: £17,900

Objective	Reason	Actions & cost	Monitoring	Success criteria
<p>Increase participation in sport by accessing NFSSP competitions.</p> <p>51% of children represented the school at a sports fixture in 2017-18</p>	<p>We want our children to be able to compete against other schools so they are inspired by participating and we can celebrate sporting success.</p>	<p>DH to prioritise and organise competition entry.</p> <p>DH to create an overview of the NF fixtures to be attended and the staff attending</p> <p>Increase range of competition entries by entering different sports (orienteering and mountain biking)</p> <p>£1400 (NFSSP fee)</p> <p>£5000 (supply)</p>	<p>DH to provide feedback success in assemblies and through newsletter.</p> <p>DH to provide figures to LA about % participation in competitive events at the end of each term.</p> <p>DH to pupil conference children about their attitudes to sport and competitions.</p>	<p>Feedback from children is positive about sport and competitions. We enter all planned competitions and achieve well</p> <p>300+ children participating in sports clubs each week (Gold standard for School Games Mark)</p> <p>55% of children represent the school at a School Games Level 2 event.</p>
<p>Increase opportunities for pupils to lead physical activity</p>	<p>We want our children to have an understanding of the wider picture of sport and not just the performance/competition.</p>	<p>FS to organise child led lunchtime activities to support the extra curricular activities</p> <p>FS to maintain a corridor display advertising the range of activities available.</p> <p>FS to write half termly in the newsletter to promote the success of child led clubs.</p> <p>£600 (supply)</p>	<p>FS to evaluate the proportions of children accessing leadership opportunities and target groups of children.</p>	<p>Engage at least 20% of student in leading, managing or officiating School Games activities. (Gold standard for School Games Mark)</p>

Objective	Reason	Actions & cost	Monitoring	Success criteria
Develop pupil voice in the monitoring, evaluation and leadership of Sports	We want to gauge our pupils opinions regarding the direction in which they would like Sport at MJS to go	RC to develop a 'Sports Crew' which meet half termly to discuss issues regarding the leadership of Sport £600 (supply)	RC to keep minutes of all meetings and share with LA	Sports Crew has a clear impact on the leadership of sport which is evidenced by meeting minutes (Gold standard for School Games Mark)
Increase participation rates in lunchtime sporting activities	We want to provide a supportive environment for children who do not attend OSHL clubs to participate in sporting activity	FS to run sport sessions every lunchtime – open access for all children. £4900 (salary cost)	FS to evaluate impact at the end of the each term in terms of proportions of children accessing activities.	Proportion of children accessing sporting activities at lunchtime who do not attend OSHL sports club is at least 33%.
Develop leadership capacity	We want RC to take on greater autonomy for the leadership of PE	DH to meet RC termly to review the term and identify future actions £600 (supply)	DH to monitor subject review and subsequent action plans DH to examine RC's PE subject folder	RC's action plan demonstrates a clear understanding of the subject from a range of relevant sources. RC has a clear impact on areas of development in PE e.g. Gymnastics, intra house competitions, risk management.

Objective	Reason	Actions & cost	Monitoring	Success criteria
Support new staff with a clear coaching programme	We want new staff to consistently teach good or better PE lessons in line with the present practice.	DH to coach new staff in a range of areas across the PE curriculum. £1800 (coaching costs)	Coaching notes to be completed to demonstrate the impact of coaching on pupil development.	Staff report a heightened understanding of 'good' PE teaching as a result of coaching
Increase participation in school clubs	We want to develop our range of school clubs by adding lower school hockey	RC to purchase new resources to support the delivery of the club IJ to maintain an accurate register of children attending the clubs £500 (resources)	DH to monitor participation in school clubs IJ to maintain register	Lower School Hockey club is attended by children who are not attending other clubs, further developing participation rates, and children go on to represent the school for the first time at a competitive event.
Increase participation in sport by developing inter school competitions	We want our children to be able to compete against one another so that our children can more regularly experience competition.	RC to work in conjunction with the sports crew to arrange a wider range of intra school competitions on a half termly basis £800 (supply)	DH to provide feedback success in assemblies and through newsletter. DH to pupil conference children about their attitudes to sport and competitions.	Feedback from children is positive about sport and competitions. All children participate in an interhouse competition
Use sport as a vehicle to engage PP children further in school life by attending OSHL	We want our PP children to feel further engaged in school life by weekly attending a school club	DH to continue 'Starstruck' for targeted individuals across the school £900 (salary cost)	DH to track pupils attendance at school clubs	85% of PP children attend a school club weekly

Objective	Reason	Actions & cost	Monitoring	Success criteria
<p>Target those not attending OSHL and engage them in school clubs</p>	<p>We have a large percentage of children that are attending clubs on a weekly basis. However, there are a group that are not engaging</p>	<p>DH to track children in Autumn term that are not attending a club</p> <p>DH to pupil conference in spring term to ascertain reasons and clubs they are interested in.</p> <p>DH and FS to run taster sessions for clubs in Summer term</p> <p>£600 (salary cost)</p>	<p>DH to track engagement in Summer term</p>	<p>50% of targeted children attend a club in the Summer term</p>
<p>Pupils can explain accurately and confidently how to keep themselves healthy. They make informed choices about healthy eating and fitness.</p>	<p>We have a large percentage of children who physically active and love sport. However we have a group of children who are more inactive and less likely to engage in a healthy lifestyle.</p>	<p>FS to target children who are not engaging in physical activity in line with their peers.</p> <p>FS to design and put in place a reward system that positively promotes a healthy lifestyle for children not already doing so.</p> <p>£1200 (salary cost)</p>	<p>FS to track children's activity levels through the course of the initiative</p>	<p>Targeted children:</p> <p>Can give examples of where they have made healthy eating choices.</p> <p>Have engaged in school sport</p> <p>Have engaged regularly in out of school physical activity.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	89%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	89%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	94%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ <u>No</u>
