Thursday 5th September 2019

Dear Parents,

At Marchwood Junior School we are committed to providing our children with the very best opportunities in their learning but also in the range of clubs available to children.

Attached is our autumn term timetable which contains details of 35 weekly clubs. It indicates which clubs are running on each day and during which weeks of the term. This will also be available as a pdf from the school website. The vast majority of our clubs are provided by members of staff, who give up their time to share a passion of theirs with our children. We also work closely with a small number of individuals from beyond our school, who provide exciting opportunities within their area of specialism.

Letters will be shared in school with children who express an interest in different clubs. Some of these clubs are aimed at children in specific year groups, open to all children or for children who demonstrate a talent in a particular area. There will not be any letters for clubs that run at lunchtimes.

We are only able to run clubs because staff freely give up their time to do so. If you would like to run a club to help us further increase our provision, you would be warmly welcomed. Any adults working in school are simply asked to complete a DBS and to complete safeguarding training.

Lunchtime enrichment club will vary each week but will include lego, drama and story sharing each week depending on the children's requests. This will be shared with the children and on the newsletter each week.

Mr Hoskins
Deputy Headteacher
